

The rudder manufacture offers a limited factory warranty on their products.  
Please see their warranty terms below.

### **Important Rudder Manufacture's Limited Warranty Information**

**The manufacture takes great pride in producing well designed, quality built parts. Painsstaking effort is put into each and every part, large and small, to ensure that all of your expectations are exceeded.**

**Their warranties far exceed industry standards:**

- Tillers: 3 years
- HDPE Rudders and Centerboards: 6 years
- Kickup HDPE Rudders: 6 years
- Fiberglass Rudders and Centerboards: 3 years
- Epoxy Fiberglass Rudders: 5 years
- Kickup Rudder Gas Springs: 1 year
- Wood Rudders and Daggerboards: 1 year

**The manufacture warranties only cover the original purchaser. Misuse or abuse is not covered. Some examples of abuse include: grounding, crashing, dropping, falling on, extreme weather, incorrectly drilling holes or warping due to high temperatures during storage or transport when not in the water. Warranty claims require the return of the entire product, including the bottom portion of the rudder.**

The above limited warranty is offered by the manufacture. If, within the first six months from your invoice date, you have an issue covered under the warranty described above, call us at 1-800-959-7245. We will assist in processing your warranty claim with the manufacture. Beyond six months, contact us and we will supply the contact information for the warranty manager.
